Marriage etc.

The various aspects of your married life are influenced by the 7th. house.

Your 7th lord is in the 9th. You will be forced to admit the practical wisdom of your wife even though she is either younger than, or less worldly than you in many ways. But when it comes to communications one of you will be an introvert and the other extrovert. So talking and listening can progress uninterrupted if you manage well. But the extrovert must allow time for the introvert to communicate his/her feelings. Your wife will be good at managing the details of the house, and as such will make up for your inadequacies in that department. The education of your children may be a cause of concern for you. You will both do well after your marriage. You will somehow gain from

association with a foreign country. Your neighbors may be jealous of your progress but your wife will be able to handle any concerns cleverly and diplomatically.

A person from the south could make an ideal partner for you.

Mars is in your 7th house. Your vision of the ideal bride may run counter to that of your parents. You will love your wife, and will appreciate her more after you are married. You will try to satisfy her needs.

Since Jupiter influences the Moon, your married life will be smooth and happy.

Apart from the above, you should be happy to note that there is a beneficial influence of Jupiter on Venus and this reduces any bad effects predicted otherwise.
